## From the office:

- ✓ Our school is registered with **Box Tops for Education**. You can collect Box Tops from General Mills products and turn them in to the school. Box Tops are an easy way for our school to receive funding for materials, equipment and programs. Thank you for your help!
- ✓ The next **PTCO meeting** will be Tuesday, January 16<sup>th</sup> at 3:00 pm. Everyone is welcome to attend! **\*\* PLEASE NOTE DATE CHANGE \*\***

This year we are excited to expand our STEM offerings with **Breakout Boxes**. These boxes challenge participants to answer a set of clues to unlock a variety of locks. Students are lead on a journey with their peers as they work through the process of opening these boxes. It is amazing to see the excitement from students as they try to figure out each of the clues they are provided. Breakout Box

activities require very high levels of teamwork, collaboration and problem solving. The second and fourth grade classes have already done Breakout Box challenges and the other classrooms will soon follow. Be sure to ask your child about these exciting activities!

## Winter program activities

We hope the weather will hold for our first day of winter program on Thursday! The dates for this program will be January 11, 18, 25, February 1 and 8.

*Please remember to send your payment in if you have not done so already.*

## Recess in Winter Weather

At B-HVS, students are expected to participate in outdoor recess if the temperature is above 10 degrees. Please be sure your child is dressed appropriately for the weather (hats, mittens, boots, coat, snow pants, etc.). If your child is in need of winter clothing, please contact Mrs. DeGrace.
