A Message from the Superintendent...

As you know, the flu has been hitting schools hard across the country! In Newfound, we are having moderate flu activity. However, we would love to see NO flu activity! How can you help us out? If you child is not feeling well or has a temperature, PLEASE, PLEASE, PLEASE, keep them HOME! The best way to tackle the flu is to not be exposed to it in the first place! I know that it can be challenging for many working parents to have a child home, but the best strategy to keep everyone healthy at school is to not have sick children in our schools spreading those illnesses!

So, please help us all and if you child is sick, please do not send them to school! Our custodial staff are working diligently to keep our schools clean and wiping doorknobs and desks down, but again the best prevention is to not have sick children in school in the first place!

Thanks for your help in keeping Newfound a healthy place to learn!

Stacy Buckley, Superintendent of Schools
