From the office:

- ✓ Our school is registered with **Box Tops for Education**. You can collect Box Tops from General Mills products and turn them in to the school. Box Tops are an easy way for our school to receive funding for materials, equipment and programs. Thank you for your help!
- ✓ We will also collect **used markers** this year to send back to Crayola for recycling. Please feel free to send in any dry markers (dry erase and highlighters, too!) that you have around the house.

September 18th is picture day!

Look for order forms to come home with students very soon. Please return the forms with payment on picture day.

First Grade readers working hard!

4th grade STEM challenge! Build the highest free-standing tower using only balloons and masking tape.

6:00- 7:00 pm

Friday, October 27th
Flu Clinic

Free and Reduced Lunch Program

Our new breakfast and lunch items are a hit with students! The expanded range of choices seems to provide something that appeals to everyone and we would like as many students as possible to be able to take advantage of it. School breakfast and lunch are also a convenient option for parents on those busy school mornings!

If you think you might be eligible for the free and reduced lunch program please be sure fill out an application to help defray the cost for your family. Each family should have received an application in the mail from the SAU office over the summer. If you need another copy, it can be found online on the Parent Resources menu on the SAU website at www.sau4.org or you can request a copy from the office. For questions about the free and reduced program, please call the SAU office at 744-5555.
