B-HVS is registered with **Box Tops for Education**. We greatly appreciate any box tops that you send in. They are an easy way for our school to receive funding for materials, equipment and programs.

The way Box Tops are redeemed is changing. Some product packages now have this symbol:

When you see it, you'll know that you will need to follow the new system to redeem it. You can download the Box Tops app and use it to scan your receipt in order to redeem the .10 for the school.

You will still see the old Box Top symbol on some packages. Those can be cut out and sent to the school the way you always have. Thank you for your help!

You can visit the Box Tops for Education website for more information:

The grass on our playground and fields is often wet in the morning this time of year. Please consider sending your child to school in rain boots or an old pair of sneakers with shoes they can change into at the beginning of the school day. The grass is usually dry by afternoon recess!

Our first PTCO meeting for the year will be on **Thursday, September 19 at 3:00 pm**. Please attend if you are interested in helping out this year. Everyone is welcome!

If you are interested in joining the PTCO this year please take a moment to fill out the attached information sheet and return it to the school. This information will be used to create a contact list of interested parents.

Last year, B-HVS was awarded a grant from the Children's Literacy Foundation and we are excited to now start our Year of the Book!
