

# Holiday Boutique

As the cool autumn air whispers around us our minds start turning toward the BHVS Holiday Boutique.

This annual event gives each student at BHVS an opportunity to shop for up to four members of their immediate family (if you have more in your immediate family just let Mrs. Connor know and arrangements will be made for your child to shop for all of them).

Each item is priced at only 25 cents. Each student will get the opportunity to shop regardless of ability to pay.

All items are donated by our wonderful parents and community members. So as you start to look around at yard sales, stores or even your own homes keep us in mind! We will be looking for gently used or new items like kids toys (in working order) and games (with all their pieces.) We will also be looking for adult items like knick knacks, unused candles, unopened lotions, magazines, stationary, jewelry, tools, sports items, fishing and outdoor things. Please keep in mind that we always seem to come up short on variety of items for dads.

***Please no used clothing.***

We will also be collecting wrapping items – gift bags and gift boxes are always needed. We will also be in need of scotch tape, gift tags and some wrapping paper. Boxes make wrapping easier for our elves so they are always much appreciated!

There will be a bin in the library starting November 7<sup>th</sup> for any and all of your donations. We greatly appreciate them.

If you have any questions, feel free to contact Lisa Heath at 528-5552

Thank you all so much for always making this Holiday Boutique such an incredible success for all our school kids.

Cheers to another year,

The BHVS PTCO
