Pick up/Drop Off and Parking Lot Procedure

PLEASE NOTE: Please do not STOP or PARK IN ANY AREA OF THE CIRCLE during Drop Off/Pick Up/Dismissal Time.

If you choose to walk your child to the building, please park your vehicle in the upper parking lot. Please see Parking Lot Procedure below.

DROP OFF/PICK UP PROCEDURE - see diagram below:

- When entering the school grounds, please keep to the right of the loop. Follow the loop to brick area at the front of the building. For Preschool Families Only: continue around the school building to the back exterior double doors leading to the Preschool.
- Drop Off/Pick Up Area for grades K-5 is at the front entrance on the brick area. There will be a staff member present to receive students. (This is the only area where K-5 students should be dropped off/picked up.)
- Please be patient and follow the loop around. Please do not take any shortcuts!

PARKING LOT PROCEDURE – see diagram below:

- If you need to park, please keep to the right of the loop. After stopping at the crosswalk to be sure the walk is clear, turn right to the parking area. If you choose to bring your child in yourself at the front entrance, please be sure to sign in.
- When departing the parking lot, use the same procedure at the crosswalk and be sure to follow the loop to the right. Again we ask for your patience as you make the loop around.

Thank you for driving slowly and helping us keep children safe, which is a top priority at B-HVS!
